

All Sewn up *by Debs*

Newsletter - December 2020

This year has been difficult for everyone. We have a set of personal situations that they have had to navigate their way through. However this year I think has made people stronger & more resilient than ever thought possible.

I don't really like the phrase "What doesn't kill you makes you stronger" but there is more than a grain of truth in it. I have on more than one occasion found myself a little low. I sat myself in my sewing studio with a coffee not wanting to do anything!!! But slowly something would catch my eye & I would be away in a delightful world of stitches, fabric & creating. The negativity lost & overcome by a positive action of creating. I have had to re think my business & move forward in a different way. This had been hard work.

It has forced me into doing things I had put off & probably would have continued to, but I feel very excited about the future. I also strongly believe that people value small local businesses & the town of Horncastle has such a lot to offer. I would like to take this opportunity to say a huge thank you to everyone who has supported me this year. I would also like to mention how delightful it is to see pictures of all your creations. It always gives me a lift. Please continue to send your pictures & tell me if you are happy for me to use them on my Facebook page & website. I have a great deal planned for next year.

This newsletter will entitle you to 15% off a spend over £10 from the 14th to the end of January 2021.

I will continue with a newsletter every quarter & my blog of course over on my website. If you would like to keep in touch send me your email or drop it into the shop when you come to use your January voucher.

Here's to a peaceful, joyous Christmas & a healthy New Year.
